

**National Kaohsiung University of Science and Technology-**  
**College of Maritime**  
**2020 Fall Semester**  
**Recruit Requirements of International Students (Master/Ph.D. Students)**

No.	Department	Vacancy	Name of professor	Specialization	Additional Resource	Application Document
1	Department of Marine Engineering	master : 0 Ph.D. : 1	Chang-Hua Lien 連長華 <a href="mailto:chlien@nkust.edu.tw">chlien@nkust.edu.tw</a>	Control theory and applications, Advanced theory development of time-delay systems, IoT practices.	1. Notebook computer. 2. Laser printer. 3. Possible scholarship.	None
2	Department of Marine Engineering	master : 1 Ph.D. : 1	Tzu Fu Ming 慈復明 <a href="mailto:fuming88@nkust.edu.tw">fuming88@nkust.edu.tw</a>	1. Maritime inspection and optical engineering 2. Energy saving for ship and green technology engineering 3. Wireless application for ship 4. Power generation of electrochemical for seawater 5. Application of ANSYS software for engineering	1. PC 2. Monitor 3. Scanner	None

3	Department of Marine Engineering	master : 2 Ph.D. : 2	Su, Chun-Lien 蘇俊連 <a href="mailto:tmoffice01@nkust.edu.tw">tmoffice01@nkust.edu.tw</a>	Offshore Wind Energy, Maritime Mircogrid, Power System, Power Quality	1. Ph.D. students are funded by at least NT\$ 8,000/month depending on their performance involved in the project. 2. M.S. students are funded by at least NT\$ 6,000/month depending on their performance involved in the project. 3. Our lab. is in very close collaboration with several research universities in the world, such as AAU and DTU in Denmark, NTNU in Norway, PUV in Spain, SUR in Italy, CU in Australia, UWM and FSU in USA, etc. For an outstanding Ph.D. student, a guest position in cooperated universities will be arranged.	None
4	Department of Shipping Technology	master : 1 Ph.D. : 0	Tsai, Chaur-Luh 蔡朝祿 <a href="mailto:chaurluh@nkust.edu.tw">chaurluh@nkust.edu.tw</a>	1. HRM of Shipping Industry. 2. Organization Culture. 3. Shipping and Logistic Management.	Strong connection with shipping industry	None
